# Vacation Memories that last a lifetime

Medcalf Acres is a family-owned and operated resort dedicated to providing our guests with an enjoyable and memorable camping experience within one of our country's great national treasures – New York's Adirondack Park.

Each year, folks from across North America come to enjoy our family-friendly atmosphere and activities. While here, most guests also take the opportunity to visit those places that make the Adirondack Mountains so unique. From the Region's rich history, to its natural beauty and family-orientated attractions, your family is certain to come away with a lifetime of fond memories.

I invite you and yours to experience our hospitality here in the heart of the Adirondacks. For details on availability and rates, please feel free to call us at 518-461-1730.

## On-site Conveniences:
